

# Easygrip™ G53KR **NEW**

A unique solution for optimum grip

Revolutionary 'second skin technology' enhances grip performance and comfort

**Ideal for use in mechanical work requiring excellent grip in extreme conditions or where there is contact with polluted products, chemical, pharmacy, food and fishing industries.**

- Triple dip natural rubber and synthetic gloves coated with a micro-cellular compound for exceptional grip and feel.
- Flock lined for added comfort.
- Anti-slip and insulating grip pattern on palm and fingers for superior grip in dry, oily and damp conditions.
- Excellent dexterity and abrasion resistance.
- Beaded cuff for easy donning and tear resistance.
